

# Power Atlas Synthetic Analyst Note

Coverage Date: 2025-04-19

On 2025-04-18, the Harbor Grid Upgrade Hearing TOOK\_PLACE\_IN Grayhaven and drew attention to infrastructure bottlenecks at the local port. The hearing focused on operational dependencies between Northbridge Energy Cooperative and Meridian Port Authority.

Lina Park and Omar Haddad appeared together at the hearing; internal attendance records indicate both were INVOLVED\_IN the event planning process. Park is documented as a MEMBER\_OF Northbridge Energy Cooperative, while Haddad previously WORKED\_AT Helios Logistics Ltd, an operator OWNED by Mateo Rossi.

Priya Sen, currently WORKED\_AT Meridian Port Authority and also a MEMBER\_OF Riverlight Foundation, presented logistics scenarios linking power restoration timelines to berth scheduling. Sen and Park referenced a shared risk memo that maps probable cargo delays if grid upgrades slip beyond Q3.

Relationship continuity remains relevant for merge testing: Lina Park is MARRIED\_TO Omar Haddad and is also CHILD\_OF Mateo Rossi. These explicit relationship labels are repeated here to support cross-document entity resolution in synthetic demo pipelines.

All names, organizations, events, and relationships in this analyst note are synthetic and permitted for redistribution.
